SIR,

Speedy disposal of cases relating to acquisition of lands required for village extensions.

Adverting to correspondence ending with your letter No.L. 8269/V.P. 48-33-7 dated the 15th May 1934 on the above subject, I have the honour to state that I am examining the question with the Deputy Commissioners of Districts. On receipt of your letter No.L. 6205/V.P. 48-33-1 dated the 10th February 1934, I called upon the Deputy Commissioners to impress on the Officers concerned the importance of strictly observing the rules already laid down in the matter and requested them to state if any practical difficulties were experienced in the expeditious disposal of these cases. Reports have so far been received only from the Deputy Commissioners of Bangalore, Chitaldrug, Kadur and Tumkur. From these reports it would appear that delays are generally due to incorrect description of lands to be acquired, withdrawing of the proposals wholly or in part, to the non-payment by the Village Panchayets of the amount of award passed by the Land Acquisition Officers.

2. On recei of the reports from the other Deputy Commissioners, I shall submit a further report to Government in the matter.

I have the honour to be,
S i r,
Your most obedient servant,

N. Madhava Rao

Revenue Commissioner.

Subject:-- Speedy disposal of cases relating to acquisition of lands required for village extensions.

Sir,

In continuation of my letter No.C.3336/33-34 dated 26th May 1934 and with reference to your letter No.L.1604 dated 1st September 1934 on the subject noted above. I have the honour to state that the question has been further examined in consultation with the Deputy Commissioners of Districts.

The causes of delay in the disposal of these cases would appear to be:--

(1) Want of care in selecting sites required for village extension.

(2) Lack or earnestness on the part of Village Panchayats and inability to provide funds requir to meet the cost of acquisition.

(3) Dilatoriness in preparing the declaration stat ments and in passing awards on the part of Land Acquisition Officers.

2. If the local officers scrutinise proposals for acquisition with care at the outset, and see that proceedings are taken only after the requisite funds are provided, there ought to be no delay in disposing of these cases with reasonable expedition Now that their attention has been drawn to the matter, it may hope that cases of avoidable delay will be less frequent in future.

I have the honour to be,
S i r,
Your most obedient servant,

N. Madhava Rao
Revenue Commissioner.

No.12.

Name of Member:- Same as in subject No.1.

Subject:- Village Extension.

Representation.

Acquisition proceedings relating to village extensions started on the applications of the villagers are not expeditiously pushed through for years together, and villagers are put to much inconvenience in consequence. It is therefore prayed that the records in such cases may bedisposed of as expeditiously as in the case of lands required for Government purposes.

Secretariat Note.

The question as to what should be done to ensure speedy disposal of such cases is under the consideration of Government and proposals of the Revenue Commissioner in the matter have been called for.

From the reports so far received, it would appear that delays are generally due to incorrect description of lands acquired, withdrawing of the proposals wholly or in the part, and to the non-payment by the Village Panchayets of the amount of award passed by Land Acquisition officers.
